

## **Decision Notice Valley County**

August 19, 2011

Montana Fish, Wildlife and Parks (FWP) released a draft environmental assessment (EA) on July 6, 2011 to provide the funds to the Valley County Rifle, Pistol Club (VCRPC). The proposal requested \$6,850 in partial funds to purchase and install a handicapped accessible concrete outhouse and construct a 10'X24' concrete pad. The range is located in Valley County, Montana forming a part of the Glasgow International Airport, and is described as T29N R39E Sect. 35, S2 NE NW.

FWP issued a statewide news release regarding this proposal and its EA on July 14, 2011. The EA was available for public review on FWP's website (<http://fwp.mt.gov/>, "Recent Public Notices") from July 6 through July 22, 2011. No legal ads were published for this announcement.

Based on these public comments and internal review, the Draft EA will be adopted as the Final EA. This Decision Notice and the Final EA will serve as the final documents pertaining to this action. Funding for this project will be granted by FWP pending the completion of other administrative requirements by the Polson Shooters Association as required by the Shooting Range Development Program.

Sincerely,
